

2022 Little League International Congress Questionnaire

Purpose

The purpose of this questionnaire is to seek the feedback from constituent District Administrators, in consultation with their respective leagues, in the following four areas:

1. Improved player access for ALL players
2. Review and reimagination of the Teenage Divisions of Baseball and Softball (excluding the Intermediate (50/70) Division of Baseball)
3. Potential rule/regulation changes that will continue to make Little League relevant among baseball and softball organizations
4. Impactful training topics for Congress that can assist in being more player centric

Improved Player Access

Improved Player Access

The goal of improving player access is to remove current obstacles that keep children from registering and participating in the program. With that in mind, please answer the questions below.

Please identify obstacles or barriers in your district that keep potential players from registering and participating in the Little League Program.

Based on your answers above, what would be a possible remedy?

Teenage Divisions

Review and Reimagination of the Teenage Divisions

The Teenage Divisions (Junior and Senior League) currently account for only 9% of the entire Little League program. To assist us with keeping our Teenage Divisions relevant and compete in today's youth sports climate, please answer the questions below.

Should consideration be given to structuring the Teenage Divisions using tournament format scheduling during the regular season?
