## 2022 Information Center

---

New for 2022, Little League Marketing and Communications have created a Marketing and Communications Information Center for each Regional Tournament. The main goal of the Information Centers are to help aid in your organization and help you stay on track with important updates, sponsor information and assets, resources, and much more that will prepare you for your tournament. Little League Marketing is also continuing the use of a shared Live Document with each Regional Director for 2022 specifically for sponsor activation and shipments, and this will be available to you on your Information Center.

## Gatorade Order Form

---

The 2022 Gatorade Order form will be sent to you separately via a GoogleDoc. We ask that you carefully reassess your current inventory and previous request, and that you plan to err on the side of caution when ordering Gatorade premiums (coolers, carts, drip bins etc.) to avoid any issues of running out during your divisional tournament.

Gatorade will determine the amount of product (Gatorade powder) and cups you will receive based upon the number of expected participants.

Please share your current storage arrangements for your remaining Gatorade premiums:
