

LITTLE LEAGUE® SPONSOR PRODUCT REQUESTS

As the Official Equipment Supplier to Little League® Baseball and Softball, Easton is pleased to offer a program to partner sponsors to fulfill product needs for commercial, video and photo shoots, as well as for on-site activations at Little League events. Below provides a program outline for Little League sponsor product requests.

CONTACT

Please send all product requests via email to:

Julie Tobyansen – jtobyansen@rawlings.com

Mark Kraemer – mkraemer@rawlings.com

ORDER SPECIFICATIONS

Please include the following details when requesting product:

- Product Name
- Quantities
- Sizes
- Colors
- Requested delivery date
- Shipping Address
- Any other details that should be noted

LEAD-TIME

All product requests are to be sent to Easton at least **3 months** in advance. This allows Easton to ensure the product is available, and provides time to order any custom product that may be requested (depending on which category of custom product, it may take up to 6 months).

We also understand that last minute needs arise, and we are more than happy to make accommodations. Please note that inventory is always subject to availability.

ASSOCIATED COSTS

For use in commercial, video and photo shoots, as well as Little League Events, including the Little League World Series:

- Easton will provide product at wholesale pricing to partner sponsors. We ask that the 3-month lead-time is followed for these requests as well.
- Easton would like to ask that sponsors use the most current Easton product for on-site activities at the Little League Baseball® World Series. Please do not hesitate to reach out to us to obtain the current models to replace old and outdated product. We will be happy to fulfill those requests.

MINIMUM QUANTITIES

There are no minimum quantities that need to be met.

PERMISSION TO USE

Easton would like to request that a release form is provided, giving the sponsor permission to use the product.

PRODUCT AFTER USE

Easton is unable to receive product after it has been used, so we'd like to ask that the sponsor work with Little League to coordinate product donations.
